Bridges

to Contemplative Living with Thomas Merton

Bridges attends to the spiritual development of individuals and groups, responding to the deep spiritual hunger of the women and men of our day. Bridges uses Merton's writings as a starting point, and it seeks above all else, to mine the life experience and spiritual depth of those who use it. Contemplative living is a way of listening and responding to our everyday experiences by consciously attending to our relationship with self, others, God, and all of nature.

Join us for a nine week spiritual journey for those who want to pursue ongoing spiritual transformation and a life of contemplation. Tuesdays, beginning November 10th from 7:00 - 9:00 pm. Cost is \$7 to cover the cost of books. Sign up in the lobby today!
