New Hope News

Garden Fest Weekend:

New Hope will host its Annual Garden Fest, Memorial Day Weekend, May 28th - 29th. Donations of organic fertilizer, potting mix, seeds and surplus garden tools as well as any large or extra large old plastic pots and planters that you are no longer using are needed. Place your items in the donation bin in the coat closet, or drop them off at New Hope. We are also in need of sponsors to fund costs for the \$50 raised garden beds. You may send your donation directly to New Hope. Any amount would be appreciated!

Volunteer Opportunity:

New Hope Resource Center is looking for a volunteer fund raiser who has experience in procuring grants and other funds in order to increase our ability to help those in need. Please call our Director, Janeen Leachman, at 467-2900 for more information.

New Hope Needs:

We are currently in need of summer clothing, toiletry items (tampons, razors, lotion), light bulbs and dish soap.

Thank You from Catholic Charities

To date, the Christmas Collection has collected just over \$714,000.00, and your parish was instrumental in helping us achieve that goal by your contributions of \$36,710.00, received from 148 donors. It was essential that the 2009 Collection do well so that Catholic Charities could sustain and operate all of our programs and services in Easter Washington and, with your help, we did! We simply could not do this work without your contributions and feel extremely blessed by your continued support.

We continue to be profoundly grateful for St. Joseph's tremendous generosity in helping us to serve the most vulnerable in our midst. Together, we can ensure that our community is reminded that every person is made in the image and likeness of God, and as such, deserves respect, compassion and dignity.
